Subsidiaries' Application to Join an Administrative Petition Opposing the "Lachish" Plan near the Ashdod Port in Israel

Further to the petition filed by the Manufacturers Association of Israel with the Be'er Sheva District Court in May 2019 (the "**Petition**" and "**Association**", respectively), on behalf of its members' operations in the Ashdod Port in Israel, including the Applicants (as hereinafter defined), against the decision to approve a plan for the construction of a residential area in proximity to the Ashdod Port and facilities thereof, the Company reports that yesterday its subsidiaries: Rotem Amfert Negev Ltd., Dead Sea Works Ltd. and Bromine Compounds Ltd. (the "**Applicants**") filed an application to join the Petition (the "**Application**").

The Petition and Application deal with the difficulties arising from the potential co-existence of a residential neighborhood in proximity to the port and facilities thereof, which may lead, in the future, to disruption of the port's operations and to the Association's members' operations therein, and consequently cause potential damage to the Applicants businesses.
